SUPERIOR ACCESS TO WORKERS' COMPENSATION

At Orthopedic Associates, we're dedicated to providing superior access to expert orthopedic care and diagnostic services, including on-site MRIs, for workers' compensation cases.

Our workers' compensation program benefits injured employees and employers alike by focusing on reducing medical costs and time lost at work through a trouble-free process.

We commit to you:

- Same-day or next-day appointments
- Independent medical exam (IME) report seven days after the exam
- Typed dictation within 48 hours after appointments
- Same-day work status or treatment plans
- Medical record reviews upon request
